Project No: 035086

Unit Head: Prof. Mike Holcombe

Start Date: September 1st 2006

Duration: 36 months

Organisation name of lead contractor for this deliverable: University of Sheffield (**USFD**)

| <b>Project co-funded by the European Commission within the Sixth Framework Programme (2002-2006)</b> |   |  |
|--|---|--|
| <b>Dissemination Level</b>   |   |  |
| <b>PU</b>  | Public  |  |
| <b>PP</b>  | Restricted to other programme participants (including the Commission Services)        |  |
| <b>RE</b>  | Restricted to a group specified by the consortium (including the Commission Services) |  |
| <b>CO</b>  | Confidential, only for members of the consortium (including the Commission Services)  |  |

### **Abstract**

This report presents the deliverable D5.3 accounting for the software descriptions of the models for the markets - goods and labour and credit markets. This deliverable acts as part of the work package 5 which comprises of agent based computational models of goods, labour and credit markets required for the project EURACE.
